WELCOME!

Welcome to the Harrison Street Project 2018 Construction Kick-off meeting! The purpose of this meeting is to learn more about Phase 1 construction, planned for the 2018 construction season.

PROJECT OVERVIEW

Harrison Street is an important corridor for southwest Omaha and Millard. Improvements for this mile-long project include adding four lanes with raised medians, curbs and gutters, sidewalks, new traffic signals and noise walls.

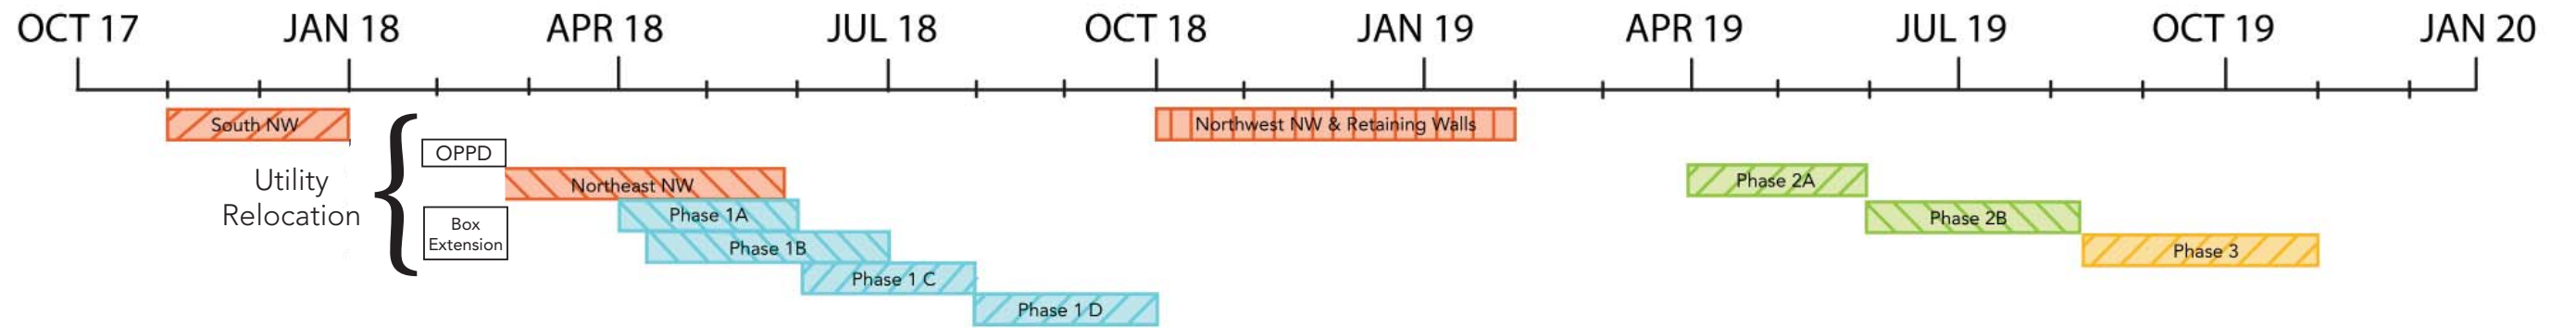

CONSTRUCTION COST

The project was awarded to Vrana Construction of Omaha for \$9.74 million.

PROJECT SCHEDULE

Phase 1 construction is planned to begin in April 2018 and conclude in November 2018. Phases 2 and 3 are scheduled to be constructed in 2019. A public meeting will be held early in 2019 to highlight construction planned for those phases.

PROJECT PHASING AND SCHEDULE

- Phase 1A to begin early April through June
- Phase 1B to begin late April through July
- Phase 1C to begin early June through early August
- Phase 1D to begin early August through October

*Phase 2 and 3 will follow in spring of 2019 with completion by November 2019
